Corsets and Romance Lynn Sorge PhD,2022-08-15 Although it is most likely never intentional, many couples in long-term relationships often lose sight of their own needs and desires. The good news is that the simple act of dressing in just the right clothing can make a woman feel confident, sexy, in charge, and with the power to rekindle the romance and sexual excitement either in a current relationship or while on a search for lasting love. Lynn Sorge, PhD, relies on her expertise on historical stays and corsets to guide both couples and single women to rediscover passion and intimacy. In the first section, Dr. Sorge shares the fictional story of Sophie and her husband, Ty, as they struggle in a passionless marriage. Although both feel the loss, Sophie unintentionally takes the lead when she makes an enormous discovery that changes everything. Part two shares wisdom and concepts to help single women searching for the perfect mate develop a winning mindset, build confidence, identify qualities in a potential partner, and rediscover sexuality. Included is a suggested romantic musical playlist to be used during scenes of seduction. Corsets and Romance is a two-part story and guide that helps couples

rediscover passion and romance, and leads singles of all ages to find lasting love.
