The Wonder of Worship: Exploring the Power of Praise and Worship Nicole R. Bowen Th.D.,2021-11-04 Worship is an integral element of the typical church worship service. Yet no church formulates worship quite the same way. It seems that each church has its own style, culture, and worship personality. With all the differences in worship today, what makes up a true worship service? How do we know that worship is being done in a Biblical way? Worship leaders come in all shapes and sizes. What are the true functions of a worship leader? What does the Bible say about leading worship? How does worship leadership look that is pleasing to God? Worship is the place where the tangible presence of God comes down and reaches human beings. When true worship comes down to earth, it brings the presence of God. It is Jehovah God coming to earth to meet with His creation. Humans reaching up and into the presence of God can bring down whatever it is that is needed for life, health, goodness, healing, and wholeness. Whatever we need is in the presence and the glory of God. The Wonder of Worship is designed to teach tools to develop the talent and the gifting that comes with a worship leader. However, just because you are not called to be a worship leader doesn't mean you cannot learn how to be a better worshipper within these pages. This book will take you into the presence of God. It is a must-read for anyone who desires to glean, learn, grow, and become the best worshipper you can be on this earth in preparation for the eternal worship service that we someday will be joining.

Learning My Name Pete Gall,2009-09-01 When the prodigal returns home, the real relational work between father and son begins. Learning My Name is the harrowing chronicle of a fearful prodigal putting family relationships on the line as he learns to trust the love of both his dad and his heavenly Father for the sake of putting neurotic, addictive thinking to rest. But this book is more than the author's story; it is the story of humanity's interaction with God. Desperation becomes discovery, and light floods onto both the prodigal tendencies of evangelical faith, and the character of the Trinity whose love beckons us home. This is the story of finding that "the love of the Father is far more durable than we've come to believe," and discovering a new joy in God's goodness and love. It's a book for tired rebels, fearful followers, and anyone who longs to meet the God of laughter and adventure.

I Declare War Levi Lusko,2018-10-30 We all battle inner struggles—whether it's self-doubt, depression, fear, or anger. It's time to get out of your own way. Whether you recognize it or not, you're at war with yourself. There's anxiety. Selfishness. Self-sabotaging tendencies. Narcissism. Depression. The inability to do the great things you long to do because you spend so many hours mindlessly drifting through the internet. It is war, but all is not lost. You can win—if you choose to engage. In *I Declare War*, Levi Lusko candidly shares his struggles with moodiness, bullying, suicidal thoughts, night terrors, and difficulty managing himself. He identifies four weapons you have at your disposal—thoughts, words, behaviors, and power—and illustrates how to use them to achieve ongoing victory. These practical tools from God's Word will help you learn to: Retaliate against your anxiety by filling your heart with truth and making it inhospitable to terror Stop being victimized by your bad behaviors and become the victor you were born to be Overcome self-imposed isolation by learning to think right so you can live right Spare your family unnecessary heartache by confronting your dysfunction so they don't have to It's time to stop being your own worst enemy. Declare war and become the person, the spouse, the parent, and the leader God intended you to be.
