An Understanding of the Fundamental Techniques of Volleyball Robert E. Howard,1996 This unique text presents in-depth coverage of the fundamental skills of volleyball, with emphasis on learning and development that will lead to volleyball success. Written specifically for the benefit of the student/player, each skill is described in detail and analyzed in comparison to other techniques to explicitly show why one skill may be preferred over another. Accurate, up-to-date techniques are representative of the current literature and sport science research on volleyball skills, and are based on principles of biomechanics. For students, teachers, and coaches, this book serves as a valuable resource in terms of the focus on improvement of students' and players' abilities.

Volleyball Barbara L. Viera,Bonnie Jill Ferguson,1996 Score more points with solid fundamentals. Volleyball: Steps to Success provides expert instruction and 99 drills to help you learn and master the basic skills and strategies. By following the book's sequential lessons and studying the 193 illustrations, you'll learn why each skill is important in a competitive setting and how to analyze and correct errors. The drills come with performance goals and a list of key points to remember when executing each drill, and they often include instructions for increasing or decreasing the difficulty of the drill. Part of the highly popular Steps to Success Activity Series, this book will help you develop the skills and confidence you need to compete and win.
