Unraveling Sara Ella, 2017-07-11 What happens when happily ever after starts to unravel? Eliyana Ember doesn't believe in true love. Not anymore. After defeating her grandfather and saving the Second Reflection, El only trusts what's right in front of her. The tangible. The real. Not some unexplained Kiss of Infinity she once shared with the ghost of a boy she's trying to forget. She has more important things to worry about--like becoming queen of the Second Reflection, a role she is so not prepared to fill. Now that the Verity is intertwined with her soul and Joshua's finally by her side, El is ready to learn more about her mysterious birth land, the land she now rules. So why does she feel like something--or someone--is missing? When the thresholds begin to drain and the Callings, those powerful magical gifts, begin to fail, El wonders if her link to Ky Rhyen may have something to do with it. For light and darkness cannot coexist. She needs answers before the Callings disappear altogether. Can El find a way to sever her connection to Ky and save the Reflections--and keep herself from falling for him in the process? A sequel that outshines its already brilliant predecessor. --Nadine Brandes, award-winning author of *Romanov*

and Fawkes The second in the low-spice, YA romantasy trilogy Books best read in order: Book 1: Unblemished Book 2: Unraveling Book 3: Unbreakable Full-length book Includes discussion questions for book clubs

The Unblemished Trilogy Sara Ella, 2019-01-08 Three complete YA fantasy stories from award-winning author Sara Ella—now available in one low-price e-collection! “A breathtaking fantasy set in an extraordinary fairy-tale world, with deceptive twists and an addictively adorable cast who are illusory to the end.” —Mary Weber, award-winning author of the Storm Siren Trilogy and To Best the Boys Unblemished Eliyana can’t bear to look at her own reflection. With a birthmark covering half her face, she just hopes to graduate high school unscathed. But what if this is only one Reflection—one world? What if another world exists where her blemish could become her strength? When Eliyana’s mother doesn’t come home one night, things start to get weird. Why is her swoony next-door neighbor now her legal guardian? Add a hooded stalker and a Central Park battle—yes, battle—to the mix and you’ve gone from weird to otherworldly. Eliyana soon finds herself in a world much larger and more complicated than she’s ever known. A world enslaved by a powerful and vile man. And she holds the key to defeating him. Unraveling What happens when happily ever after starts to unravel? Eliyana Ember doesn’t believe in true love. Not anymore. After defeating her grandfather and saving the Second Reflection, El only trusts what’s right in front of her. The tangible. The real. Not some unexplained Kiss of Infinity she once shared with the ghost of a boy she’s trying to forget. Unbreakable With the fate of the Reflections at stake, Eliyana must destroy the Void . . . but at what cost? Eliyana Ember is a reluctant queen. As vessel of the Verity, only she can lead the fight against the wicked magnetism of the Void. If she fails, the paths between Reflections will cease to exist, and those she loves will remain plagued by darkness. Praise for *The Unblemished Trilogy*: “Unblemished may have set the stage, but Unraveling will forever bind you to this story like a Kiss of Accord. Sara Ella’s exquisite writing left me gasping at new revelations and re-reading whole chapters just because. Unraveling is a sequel that outshines its already brilliant predecessor.” —Nadine Brandes, award-winning author of *Fawkes* “Lyrically written and achingly romantic—Unblemished will tug your heartstrings!” —Melissa Landers, author of *Alienated*, *Invaded*, and *Starflight* “Self-worth and destiny collide in this twisty-turny fantasy full of surprise and heart. With charm and wit, Sara Ella delivers Unblemished, a magical story with a compelling message and a unique take on the perils of Central Park.” —Shannon Dittmore, author of the *Angel Eyes* trilogy “Unblemished is an enchanting, beautifully written adventure with a pitch-perfect blend of fantasy, realism, and romance.” —Lorie Langdon, author of the bestselling *Doon* series “Unblemished had me from the first chapter—mystery, romance, and mind-blowing twists and turns that I SO did not see coming! The worlds Sara Ella builds are complex and seamless; the characters she creates are beautifully flawed.” —Krista McGee, author of the *Anomaly* trilogy

Foxlight Katya Balen, 2023-09-28 From the author of *October*, *October*, winner of the Yoto Carnegie Medal, comes a heartbreaking and heart-warming story about sisterhood, found family and accepting love in the most unusual and unknown places. Fen and Rey were found curled up small and tight in the fiery fur of the foxes at the very edge of the wildlands. Fen is loud and fierce and free. She feels a connection to foxes and a calling from the wild that she's desperate to return to. Rey is quiet and shy and an expert on nature. She reads about the birds, feeds the lands and nurtures the world around her. They are twin sisters. Different and the same. Separate and connected. They will always have each other, even if they don't have a mother and don't know their beginning. But they do want answers. Answers to who their mother is and where she might be. What their story is and how it began. So when a fox appears late one night at the house, Fen and Rey see it as a sign - it's here to lead them to their truth, find their real family and fill the missing piece they have felt since they were born. But the wildlands are exactly that: wild. They are wicked and cruel and brutal and this journey will be harder and more life changing than either Fen or Rey ever imagined ...

It is also the story of one man's life-long obsession with the Mountain, as its lore and meaning are revealed in his experience. *LORD OF THE VALLEY* is a book filled with stories of ancient mythic wisdom, pioneer psychodrama, and the passions and people of the present day, as they have encountered this sacred place. But the real offering of this work is of a renewed vision of the eternal incarnation of truth and revelation in the Place of Sacred Power, exemplified in this remarkable place. This first volume is the intimate story of a boy's sudden absorption in the power of this mountain, and the shattering - and unifying - drama that resulted in his life-long exploration of its mysteries.
