*Give God a Chance* James Kyle Brown,2001-09-01 Give God a Chance is an effort to present the information in the Edgar Cayce readings in ways that are meaningful and useful to Christians of all persuasions, and even to those of other faiths. Give God a Chance consists of the following five sections: PART I: The Edgar Cayce Readings This part focuses on Edgar Cayce and the ways in which Cayce presented health and spiritual advice in what has been called readings. It also deals with the authors personal experiences with the readings. Various questions are asked in an attempt to compare the purposes of the readings with those of traditional Bible based, Christ-centered, faith in God. PART II: God, Mankind, and Spiritual Laws The readings begin with the assumption that all souls were created for the purpose of becoming companions with God. A creation cosmology is explored, which includes the possibility of the continuity of life extending into other times and places. Gods justice and mercy are understood in terms of the law of cause and effect, the law of grace, and the law of love. PART III: Christianity and the Cayce Readings The Cayce information sheds new light on our ancient Scriptures. It gives us a unique perspective of Jesus the Christ and His mission. The history of the Church is explored from the early church onward to the vision of a more democratic, inspired, and unified Body of Christ in the future. PART IV: Christian Spirituality Applied The Cayce readings are a treasure of information about prayer, meditation, healing, spiritual psychology, and applied spirituality in all phases of our lives. PART V: World Transformation A Christian worldview is developed that emphasizes personal spiritual growth (a new heaven) through having in us the mind that was in Christ Jesus, and global transformation (a new earth) through the application of Christian spirituality in the world.

*Jesus As a Pattern* Edgar Cayce,2008-02 The Edgar Cayce readings present Jesus' life as having meaning for every soul in the earth. Regardless of our religious or personal beliefs, Jesus' life of service provides an example for all of humankind and each of us will ultimately be challenged to fulfill that same pattern in our lives. The Cayce readings can help to provide insight into your life and your own patterns.

The Essential Edgar Cayce Mark Thurston,2004-07-08 A complete guide to the work of the remarkable twentieth-century seer Edgar Cayce, featuring Cayce's most intriguing and influential readings, and a biographical introduction to his life. Edgar Cayce is one of the most mysterious men of the twentieth century. Sometimes called The Sleeping Prophet, he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning. The core of his life's work was actually being an intuitive healer and Christian mystic. More than one hundred books have been written about his teachings and his life story. Yet no book has combined insightful commentary with lengthy, verbatim selections of the full range of his contribution to holistic healing, practical spirituality, and the psychology of the soul. The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement, as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and

Western religious traditions. The book's substantial introduction frames Cayce and his life's work, and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant readings. Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures.

**A Life of Jesus the Christ** Richard Henry Drummond,1996-10-31 Written by a biblical historian, this rich account of the life of Jesus Christ blends the Cayce readings and the Bible to tell of the birth, upbringing, education, spiritual preparation, ministry, resurrection and ascension of Jesus.

**Sacred Journey** M.K. Welsch,2016-02-01 Every person on this planet is on a sacred journey. And that journey is about you. Each moment of our lives spent on earth has profound meaning. Yesterday, tomorrow, and perhaps most importantly, TODAY. The time has come to remember who we really are. Welsch weaves together a beautiful true story of our souls, our purpose, and our potential with ideas drawn from famed psychic Edgar Cayce and supportive passages from the Bible. This unique work offers a new expansive perspective on what it means to be a savior and the impact of the Christ spirit on our world. It reveals Jesus, the Master-teacher, as our elder brother who left behind the pattern souls could follow to fulfill our holy purpose for entering into the earth.

*Edgar Cayce on the Life of Jesus Christ* Vincent Ortegon,2021-10-23 Known as the Sleeping Prophet, Edgar Cayce gave thousands of psychic readings on subjects ranging from healthcare; therapies, remedies, meditation and mind power. Within his archive of 14,306 unconscious readings this publication puts together the handful of readings he gave on Jesus Christ.

**There Is a River** Thomas Sugrue,2015-03-03 A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.
