*Song of the North Country* David Pichaske,2010-04-08 >

**Hannah's Song** Catherine Tukes,2014-04-23 Our lives' song is composed of the many different experiences and life-changing events that we have lived through. The lyrics are forever engraved in our hearts and it is what makes up our purpose and our passion. Hannah Robinson is a young woman with a horrid past, but with a heavenly destiny. She learns to not just survive life; but to give birth to her song. You will laugh, cry, and learn how to sing the lyrics to your own song as you read about one woman's song...her story.

The Complete Lyrics of Johnny Mercer Johnny Mercer,Robert Kimball,Barry Day,Miles Kreuger,Eric Davis,2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs-his words have never gone out of fashion-and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

*Just Deserts* Eric Walters,Ray Zahab,2011-08-30 Dear Ethan: I know you must be terribly confused, a little bit scared and thinking, hoping, praying, that the plane will return. It will not. Ethan can barely believe it. Until now, his biggest problems have been trying to stay in one school without getting expelled and finding his next drink. But after Ethan's drunken imitation of the current headmaster goes up on YouTube, his father steps in with a shockingly drastic measure. Now Ethan is sprawled in the sand. In the Sahara desert. Alone. According to his father's letter, Ethan is to trek 200 km across the desert to the city of Tunis, with the help of a guide and three other young people. Confused, hungover, and-if he is truthful-more than a little

scared, Ethan has no choice. He will face sandstorms, vipers, and agonizingly painful blisters ... but, most painful of all, he will face his inner demons and come to a true realization of who he really is.

**Thinking About Prescribing** Shashank V. Joshi, M.D., FAAP, DFAACAP, Andrés Martin, M.D., M.P.H., 2022-01-18 Our remedies are only as good as the way in which we dispense them. That is the central premise of Thinking About Prescribing. In this new, thought-provoking volume, more than two dozen experts make the case for an ongoing alliance between pharmacotherapists, young patients, and their families. Chapters tackle issues ranging from the psychodynamics of medication use in youth with serious mental illness, adapting evidence-based motivation and therapy techniques to enhance adherence, cultivating the synergistic role of primary care providers and psychotherapists, engaging in psychoeducation with patients, to prescribing via telemedicine. Readers will pick up the foundational knowledge they need to develop a partnership with patients that is based on trust and candid communication--rather than on just the cold facts about psychotropic medications. Chapters feature key takeaways that distill the most salient points, helping readers to reference--and retain--the information easily.

Growing Songwriting Associate Professor of Music Education Clint Randles, 2024-08-13 The history of music education over the past 100 years has centered on traditional band, choir, and orchestra models. Yet music education has always secured a prominent place in the curriculum when it captures the musical imagination of the masses, and research has shown that more and more students are seeking alternative opportunities to engage with music. Songwriting is a 21st Century curricular offering that considers who we are as a society--our desires, our goals, our passions. Most often, songwriting occurs in Modern Band classes that are beginning to pop up all around North America and many parts of the world. This book provides curricular support for those efforts as we look to the present and future of music teaching and learning.

**Crafting Phenomenological Research** Mark D. Vagle,2016-06-16 This is an accessible, concise introduction to phenomenological research in education and social sciences. Mark Vagle outlines the key principles for conducting this research from leading contemporary practitioners, such as van Manen, Giorgi, and Dahlberg. He builds on their work by introducing his post-intentional phenomenology, which incorporates elements of post-structural thinking into traditional methods. Vagle provides readers with methodological tools to build their own phenomenological study, addressing such issues as data gathering, validity, and writing. Replete with exercises for students, case studies, resources for further research, and examples of completed phenomenological studies, this brief book affords the instructor an easy entrée into introducing phenomenology into courses on qualitative research, social theory, or educational research.

**Prince on Prince** Chicago Review Press, Incorporated,2022-11-15 Prince on Prince gets behind the controversies to tell the Prince story in his own words. Prince is among the most respected and influential entertainers of the twentieth century, breaking sexual, racial, and creative barriers throughout his almost forty years in the spotlight. He was a multitalented studio artist, a master songwriter who produced and performed almost all of his own music on yearly LPs and countless singles and videos. He was one of the most dynamic live performers ever to hit the stage, a world-class dancer, and musician who's still remembered for the best Super Bowl halftime performance in history. He fought for artists' rights, changed his name to a glyph, and took a star turn in the Oscar-winner *Purple Rain*. But for all this, he was a quiet and private individual, reluctant to talk about the work he felt should speak for itself. This volume offers a chronological look at some of Prince's most entertaining and revealing interviews, from 1978 and the release of his debut LP, *For You*, to a 2015 interview conducted only months before his untimely death at the age of fifty-seven. Prince's memoir was left incomplete, but this volume offers a view of the man as he sought to portray himself in his own words to journalists of every status throughout his career.

**Nothing Like a Dame** Eddie Shapiro, 2014-02-28 In *Nothing Like a Dame*, theater journalist Eddie Shapiro opens a jewelry box full of glittering surprises, through in-depth conversations with twenty leading women of Broadway. He carefully selected Tony Award-winning stars who have spent the majority of their careers in theater, leaving aside those who have moved on or occasionally drop back in. The women he interviewed spent endless hours with him, discussing their careers, offering insights into the iconic shows, changes on Broadway over the last century, and the art (and thrill) of taking the stage

night after night. Chita Rivera describes the experience of starring in musicals in each of the last seven decades; Audra McDonald gives her thoughts on the work that went into the five Tony Awards she won before turning forty-one; and Carol Channing reflects on how she has revisited the same starring role generation after generation, and its effects on her career. Here too is Sutton Foster, who contemplates her breakout success in an age when stars working predominately in theater are increasingly rare. Each of these conversations is guided by Shapiro's expert knowledge of these women's careers, Broadway lore, and the details of famous (and infamous) musicals. He also includes dozens of photographs of these players in their best-known roles. This fascinating collection reveals the artistic genius and human experience of the women who have made Broadway musicals more popular than ever—a must for anyone who loves the theater.
