Xero For Dummies Heather Smith,2017-06-06 Take your books to the cloud with the ultimate guide to Xero Xero For Dummies is your one-stop resource for working with this revolutionary accounting software. Whether you're brand new to Xero or converting from another program, you'll get up and running in a flash; if you're already using Xero, this book will show you how to take advantage of the software's full functionality. Easy to use and deceptively powerful, Xero is so much more than a spreadsheet – it can help you streamline reporting; manage inventory; simplify accounts; and organise suppliers, customers and more. Automatic imports, intuitive coding and seamless synching across multiple business platforms gets the paperwork done quickly so you can get back to running your business. This new third edition includes coverage of the newest features, including updates on payroll, purchase orders, reporting and inventory so you can optimise your system to help your business thrive. Xero's cloud-based single-ledger accounting system is user-friendly and efficient, but expert guidance will help you get the absolute most out of the software's features and functionality. This book shows you every nook and cranny, with screenshots and best practices, so you can let Xero handle the books while you focus on running your business. Fine-tune your set-up, or convert from another accounting program Manage daily activities with contacts, accounts, sales and payables Master weekly and monthly reporting routines Track inventory, monitor your business and get the most out of Xero You didn't start your business in order to become an accountant, but bookkeeping is critically important to the short- and long-term health of your company. Xero simplifies the process and saves you time, and Xero For Dummies helps you leverage every feature Xero has to offer. In addition to the book, visit www.dummies.com/go/xerofd3e for an online-only appendix you can download for free, which gives you all the info you need to master your payrun.

Inside you can take a look at the kinds of useful information you can generate, and how to customise information and reports to your needs. Check out Xero's online networks and the different add-on solutions available to you and your team. Discover the online networking capabilities of Xero, the cost benefits of using add-ons, and which add-ons might be useful to you and your business. Generate useful information you can use to run your business with Getting the Most Out of Xero In A Day For Dummies.

Corporate Finance and Investment Richard Pike, Bill Neale, Philip Linsley, Saeed Akbar, 2018-08-14 Taking an international perspective to corporate finance, the latest edition of Corporate Finance and Investment is a highly-regarded and established text for students who want to understand the principles of corporate finance and develop the key tools to apply it. The ninth edition has been revised to include topical issues in valuation, working capital, capital structure, the dividend decision, Islamic finance, risk and risk management, and behavioural finance. With its focus on strategic issues of finance in a business setting, this text uses the latest financial and accounting data, articles and research papers to effectively demonstrate how, and to what extent, the theory can be applied to practical issues in corporate finance.

How to Do Your Own Bas and Save Thousands in Fees Renelo Peque,2013-12-27 How to Do Your Own BAS and Save Thousands in Fees is the first of Accounts Unpluggeds accounting series. Renelo believes in helping people to the best of his abilities by giving you the tools and resources to help you control and manage your own finances by organising your accounts. As the Australian Taxation Office makes it easier for businesses to comply with their BAS obligations, the middlemenBAS and tax agentswill soon become redundant. Their services will eventually focus on complex tax scenarios and strategies that target specific clientele. Matters on basic BAS and tax compliance for businesses can be handled by contacting the Australian Taxation Office directly rather than by using an agent. As you do your part in maintaining good and accurate records, you will be able to prepare and lodge your own BAS easily. In the process, you save thousands in accounting fees.
